June 6, 2018

West Texas Opportunities, Inc. is requesting price quotes for a Certified Quality Control Inspector for the Weatherization Assistance Program.

WTO,I administers the Weatherization Program, which is funded in part by grants from the U.S. Department of Energy.

West Texas Opportunities, Inc. Weatherization staff will be responsible for the initial home energy assessment, audit, work order, development, project oversight and pre-final inspections of all completed weatherization work.

The Quality Control Inspector will be responsible for conducting QCI Final Inspection for approval of weatherized units completed.

West Texas Opportunities, Inc. estimates that 8 -15 units will be required to be QCI certified within the next 12 month period.

West Texas Opportunities, Inc. reserves the right to reject any or all quotes, or any part thereof, to waive irregularities that is considers nonmaterial to the quote, to award the quote solely as it deems to be in the best interest of the Organization.

Inspector will be required to provide a valid QCI certificate prior to engagement.
