## ***RIDE FREE!***

*through June 30, 2009*

This is a new route for the 8-5 shift and WTO, Inc., is very excited to offer another bus route to meet your transportation needs to and from work. This route will depart and arrive at the same locations that the existing route uses, and you are asked to arrive at least 5 minutes early in order for the bus to leave promptly in order to get you to work on time. Please feel free to contact me with any questions or concerns, and I look forward to you riding with us beginning Monday, June 15.
